Its eye catching design improves the device's overall visual appeal. Stand out in elegance while enjoying an unmatched vaping experience.

# How To Use

The Billionaires Bar 15000 Puffs Disposable Vape is hassle-free operation and pre-filled e-liquid reservoir mean that dirty refills and intricate maintenance are not necessary. Just **open the package**, **take a puff**, and enjoy the wonderful feeling of high-quality vaping whenever and wherever you are

# Battery

It has 650mAh built-in big battery with glowing display. It comes with 20ml capacity and when it has 15000 puffs with big battery, its a massive bundle for vape lovers.

## **SUPER CHARGE AND BIG 650mAh BATTERY**

Super fast charging and a big 650mAh battery keeps your device online all the time

# Features

"Experience unrivaled convenience with a sleek, compact design and long-lasting battery. Enjoy smooth draws and flavorful clouds with 15000 puffs of premium vaping pleasure."
