INTRODUCTION

The Enjoy Pro Max 15000 Puffs Disposable Vape is a high-capacity, easy-to-use disposable vape device. It offers a substantial 15000 puffs, making it ideal for users looking for long-lasting performance without the need for frequent replacements. The device typically features a sleek design, pre-filled with a variety of e-liquid flavors, and is equipped with a high-capacity battery to support extended usage.

This disposable vape is designed for convenience, requiring no maintenance, refilling, or charging. Users can enjoy a smooth vaping experience right out of the box, with consistent flavor and vapor production until the device is fully depleted. It's suitable for both new vapers and experienced users seeking a hassle-free option with a large puff count.

Creating the perfect balance is key.

How to USE

1

Unbox the Device:

Remove the vape from its packaging. Check if there's a protective cover on the mouthpiece or any stickers blocking the airflow, and remove them.

2

Inhale to Activate:

Place the mouthpiece between your lips and take a gentle draw. The device is draw-activated, so it will automatically start producing vapor as you inhale.

3

Enjoy and Dispose:

Continue vaping until the device no longer produces vapor or the flavor diminishes. Once finished, dispose of the vape responsibly according to local regulations.

SAFETY

Information.

- **Store Properly:** Keep the vape in a cool, dry place away from direct sunlight and extreme temperatures to prevent damage to the battery and e-liquid.
- **Avoid Tampering:** Do not attempt to open, refill, or modify the device. It's designed for single-use only, and tampering can cause malfunctions or safety hazards.
- **Use Responsibly:** Follow the recommended usage guidelines, especially concerning nicotine strength. Dispose of the device properly when it's depleted.
- **Keep Away from Children and Pets:** Store the vape out of reach of children and pets to prevent accidental ingestion or exposure to nicotine.
